Year End Sale...Well, here we go again, as it is that time of the year for ProTeam's popular Year End Sale, Yes! This is your last opportunity in 2008 to buy great cars at greatly reduced prices and this is the last year that Ohio taxes our inventory and personal property due to a phase out started years ago. And speaking of opportunity... why not consider buying all ProTeam's Corvettes at cost and the engine (company) that has driven impressive cash flow and profits for over 20 years. Yep! That's right! Fred and I have been banging the sell idea around for several years and we feel confident that capable, informed and interested parties are right here in our database... well poised to acquire the ProTeam business and take it to the next level. For more information go to next level [Detail and Instruction](#) or email terry@proteamcorvette.com. I also urge you to visit ProTeam's Classic Corvette Collection often as there is always something new and interesting to see. Wishing you and your family the best over the upcoming holiday season. Thank you, Terry L. Michaelis, President

NCRS AI Grenning Seminar & Presentation... Historian and technical sleuth, AI Grenning, offered presentations opening the eyes of the Corvette community. The early November two-part session was sponsored by the Heart of Ohio NCRS chapter and hosted by ProTeam Corvette Sales. The invitation only event included the NCRS chapters of Illinois, Indiana, Michigan, Ontario, western Pennsylvania, all Ohio chapters, and any NCRS member.

The technical sessions concentrated on (1) The Cobra Killers;1965-66 M-22 cars of Chevrolet's clandestine factory race program of the mid 1960's with focus on the development of the M-22 heavy duty transmission and the L-88 motor. (eye opening), (2) NCRS Authentication Manual #2... covering the 1965-67 Corvette protect-o-plates, (3) Engine Pads... on the wild side, and (4) M-22 Gathering. The Who's Who of the Hobby was in attendance with an assembled accumulation of maximum density brain cell overload of researchers, historians, writers, senior judges, restorers, consultants, ex-GM engineers, surveyors, and mover & shakers. For questions or inquiries about future events, email: terry@proteamcorvette.com

"The seminar raised almost \$1,000.00 which will all go to charity. At this point it looks like the money will go to either the Columbus Children's Hospital or breast cancer research. The Heart of Ohio Chapter is thrilled to have been able to play a small part in the success of this event." - *Dave Borror, NCRS Heart of Ohio Chapter*
