**Industry Awards...** are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation (which requires knowledge). [Click here](#) to see how we did at this year's Bloomington Gold show in June, the NCRS National Convention in July, and the NCRS Regional in September. This was a true ProTeam "team effort" of which I say thank you to Fred, Billy, Dave, Ricky, and Michael.

**Monterey/Pebble Beach August 2010...** will go down in history as one of the richest four-day stretches of auction action ever seen anywhere in the world with five auctions tallying-up in excess of \$172 million dollars in sales of collector cars and Corvettes...why? Because collector cars are a tangible investment that you can enjoy!!!
