Year End Sale... Well, here we go again, as it is that time of the year for ProTeam's popular [Year End Sale](#). Yes! This is your last opportunity in 2010 to buy great cars at greatly reduced prices. [Click here](#) to view ProTeam's year end sale prices, photos, and descriptions. I also urge you to visit ProTeam's [Classic Corvette Collection](#) and ProTeam's [Personal Reserve Collection](#) often as there is always something new and interesting to see and speaking of new, we just purchased 18 Corvettes, mostly from one collection and mostly project cars. Read more below. I wish you and your family the best over the upcoming holiday season. Thank you, terry@proteamcorvette.com

New Arrivals... are exciting and in this case, ProTeam just purchased 15 project Corvettes primarily from one collection (14) that will need as little as a fresh tune-up, fresh gas, brake work, and some will need complete restorations that will keep our body, trim, and mechanical shops busy this winter. The newly purchase Corvettes are: 1 - 1953, 1 - 1954, 1 - 1955, 1 - 1956, 1 - 1957, 1 - 1958, 2 - 1959's, 1 - 1960, 1 - 1961, 4 - 1962's, and 1 - 1965. We will start posting these cars at our website www.ProTeamCorvette.com as they arrive. terry@proteamcorvette.com

Three of ProTeam's Personal Reserve Collection Corvettes... have been invited to the Muscle Car and Corvette Nationals for a special display at the Donald E. Stephens Convention Center in Rosemont, Ill. (greater Chicago) on November 20th and 21st, 2010. While they are there, they will also compete for the prestigious Triple Diamond award which ranks right up there with Bloomington Gold and NCRS awards.

Car One: **[The First Production 1967 RPO L88](#)** which is the only known black 1967 L88 convertible. "The ex-Tony DeLorenzo Car"

Car Two: **[1968 L88 Red/Red Convertible](#)** which is one of two known to exist and received its NCRS National Top Flight in 2009 and its Bloomington Gold award in 2010. This was a one owner barn find when found by ProTeam.

Car Three: **[1971 ZR2 Convertible](#)** with 8,700 actual miles and is original and unrestored and one of two known ZR2 convertibles of the total of twelve ZR2's produced in both t-top and convertible.

Questions or comments, email terry@proteamcorvette.com or visit MCACN's website at MCACN.com.

Corvette Racing Legends... makes a great gift for Christmas giving. Corvette Racing Legends constructs the journey the Corvette took to become a world class sports car focusing on the L88 option package for the Corvette. The L-88 Corvette was so potent, that it could not only allow the new owner or driver to win a race in local competition, but it also could propel a properly prepared Corvette to stunning finishing positions in world class International races. The L-88 option package, made the Corvette an overnight hit. If you're a Corvette owner or enthusiast, this book is a must. Most of the photographs in this book have never been published before. It contains 424 pages and over 500 detailed photographs. Corvette Racing Legends features major drivers and their Corvettes; names like DeLorenzo, Thompson, Yenko, Guldstrand, and more. Retail \$150.00 On Sale for only \$80.00. Ohio residents add 7% sales tax plus \$5.00 for postage and packaging in contiguous US. [Click here](#) to order.
