Learn more about Corvettes in three days than most Corvette judges have learned in three decades... as David Burroughs and Terry Michaelis are offering private three-day clinics designed to provide in-depth and intense training on 1963-67 Corvettes. Imagine knowing very little about a '67 today and being competent enough to do your own pre-purchase inspections three days later. Performance guaranteed.

Only here will you benefit from David Burrough's Hierarchy of Restoration, ie: inspiration, documentation, preservation, conservation, reclamation, reversal, rehabilitation, replacement, patinazation, restoration, and replication.

Each three-day clinic is limited to two students. Ideally suited for either the novice or serious collector wanting to learn what these experts look for, what they ask, and how they read the vehicle. Expensive but satisfaction guaranteed. Contact Terry at terry@proteamcorvette.com for details and class dates.

50th Anniversary of Corvette's Greatest Achievement... is coming soon as September 17th, 2012 marks 50 years to the day when the Chevrolet Corvette was transformed into the iconic 1963 Corvette Split Window Coupe which is now a milestone and what we believe is the most significant event in Corvette history, thanks in part to the efforts of GM's Bill Mitchell, Larry Shinoda, and Zora Arkus Duntov. Thousands of photos grace the internet and past magazine articles as the 1963 Split Window Coupe represents a hallmark of the famed Stingray and its design is endless without peers. Here are a few quotes that I have extracted from various articles: A) all time great, B) a bowtie legend, C) a cultural icon, D) a milestone, E) a breakthrough in style and substance, F) a benchmark, G) sophisticated and civilized, H) every Corvette since has been influenced by it, I) the most exciting production car America has yet experienced, J) history's most unforgettable, K) it didn't just carry people, it carried dreams, L) timeless styling, M) this is the car that made the Corvette hobby, N) a symbol of the 1960's American dream, O) extreme makeover and leaped into the future, P) demonstrating dramatic styling changes, Q) emotional appeal, execution, artistic excellence, and design character and continuity, R) distinction and visionary. Few car collections, personal or commercial, are without one such example. Comments? Email: terry@proteamcorvette.com
