Year End Sale... ProTeam's Year End Sale is producing great interest and strong early sales results as early birds are taking advantage of ProTeam's deeply discounted prices. Dozens of these cars have received Bloomington, NCRS, MCACN, and/or concours awards. Quantitatively and qualitatively speaking there is no better offering of Corvettes on the face of the earth. Click here to view ProTeam's Year End Sale prices, photos, and descriptions. Email: terry@proteamcorvette.com

ProTeam Scores a 3 For 3... with three Triple Diamond awards at the Chicago Muscle Car and Corvette Nationals show on November 20th/21st, 2010. All three Corvettes, 1) 1967 Black L88 PRC.56, 2) 1968 Red L88 PRC.30, 3) 1971 Green LS6/ZR2 PRC.55 are past Bloomington Gold award winners and were invited for display in past Bloomington Gold Special Collections and are now in ProTeam's Personal Reserve Collection. They are among the rarest of rare and are historically important and can be viewed online but better yet, see them at ProTeam in Napoleon, Ohio on your next visit. Questions or comments, email: terry@proteamcorvette.com.

Tony DeLorenzo (part 1)... Recently participated in a hi-def video shoot on November 18th, 2010 at ProTeam's Napoleon, Ohio location. Tony's ex-first production RPO-L88 race car was the featured backdrop with Tony and Chris Cooper (his mechanic/team member) answering questions about their A-Production L88 Corvette and their SCCA participation that led to a title win in the 1967 run-offs. The planned two-hour shoot turned into a five-hour informative and passionate historical covering Tony's early life, family, friends, career, and racing. Questions or comments, email: terry@proteamcorvette.com.

Tony DeLorenzo (part 2)... was recently reunited with his ex-1967 Black L88 race car on November 20th/21st, 2010 at the Chicago Muscle Car and Corvette Nationals show. Tony D's name and L88 Corvettes are synonymous as Tony started his Corvette racing career in the very first production L88... a triple black convertible that he raced A-Production and thrashed in 1967 to win a title in SCCA run-offs, prior to moving on in 1968 and 1969 in Owens-Corning backed L88's. Tony DeLorenzo was one of the most editorialized racers of his time and volumes are available for your read online, google, or other search engines. This very special spotlight display helped the MCACN crew achieve its goal of raising the bar for specialty indoor automotive events. Questions or comments, email: terry@proteamcorvette.com.
