**14 Project Cars (Corvettes)...** just arrived on December 7th, 2010. These Corvettes were purchased from a south central collector and feature rock solid frames. They include model years 1953 through 1962 with some duplication. Go to [www.proteam-corvette.com/Corvette-Project-Cars.html](http://www.proteam-corvette.com/Corvette-Project-Cars.html) to see photos, micro-descriptions, and prices. I urge your personal inspection ASAP before they are cherry-picked by dealers. Questions? Email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)

**Low Mile Grand Sport Collection...** is now being offered at a greatly reduced price and includes one 1996 GS convertible with 2,064 actual miles and one 1996 GS coupe with 604 actual miles. Both cars are one owners with all documentation and are new... new.... new!!! At one time, not too long ago they were valued at \$120,000.00 and now can be bought for \$89,950.00 and even less for a past ProTeam customer. Go to [PRC.42](#) or [PRC.43](#) to view descriptions and photos. Questions? Email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)

**The L89 Corvette...** is a relatively rare breed with only 16 produced in 1967, 624 produced in 1968, and 390 produced in 1969 which brings me to our subject car... a 1968 aluminum head convertible L89 in British Green with its original motor and much documentation, which can be purchased from ProTeam for \$75,000.00 until year end. Check it out at [NSN-CU](#) and email your questions to [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)

**Year End Sale...** ProTeam's [Year End Sale](#) is producing great interest and strong early sales results as early birds are taking advantage of ProTeam's deeply discounted prices. Dozens of these cars have received Bloomington, NCRS, MCACN, and/or concours awards. Quantitatively and qualitatively speaking there is no better offering of Corvettes on the face of the earth. **ProTeam...** is ramping up its eBay parts store with hundreds of offerings of rare hard-to-find Corvette parts. ProTeam's new guy, Dave, just moved here from south of Minneapolis to dig, pick, photo, and load our massive Corvette parts collection. Dave has barely scratched the surface of this massive undertaking and is trying to upload at least 100 items a day. ProTeam's eBay store is located at <http://stores.ebay.com/ProTeam-Corvette-Sales> or you can email your wish list to [fred@proteamcorvette.com](mailto:fred@proteamcorvette.com) or [dave@proteamcorvette.com](mailto:dave@proteamcorvette.com)
