This is an original unrestored survivor that is in excellent condition. Bloomington Freeze-Frame certification in 2009 where as all four categories were within at least 75% of its factory new originality, finish, and condition. It was also judged that less than 10% was refurbished, replaced, altered, or deteriorated since new. Professionally restored by Scott Tiemann of Supercar Specialties of Portland, Michigan. 50th Anniversary of Corvette's Greatest Achievement... is coming soon as September 17th, 2012 marks 50 years to the day when the Chevrolet Corvette was transformed into the iconic 1963 Corvette Split Window Coupe which is now a milestone and what we believe is the most significant event in Corvette history, thanks in part to the efforts of GM's Bill Mitchell, Larry Shinoda, and Zora Arkus Duntov. Thousands of photos grace the internet and past magazine articles as the 1963 Split Window Coupe represents a hallmark of the famed Stingray and its design is endless without peers. Here are a few quotes that I have extracted from various articles: A) all time great, B) a bowtie legend, C) a cultural icon, D) a milestone, E) a breakthrough in style and substance, F) a benchmark, G) sophisticated and civilized, H) every Corvette since has been influenced by it, I) the most exciting production car America has yet experienced, J) history's most unforgettable, K) it didn't just carry people, it carried dreams, L) timeless styling, M) this is the car that made the Corvette hobby, N) a symbol of the 1960's American dream, O) extreme makeover and leaped into the future, P) demonstrating dramatic styling changes, Q) emotional appeal, execution, artistic excellence, and design character and continuity, R) distinction and visionary. Few car collections, personal or commercial, are without one such example. Comments? Email: terry@proteamcorvette.com

5th Annual Corvette Market Insider's Seminar... is slated to take place on January 19th, 2012 at the Barrett-Jackson auction from 9:00am to 11:30am in Scottsdale, Arizona. This is the 5th Annual Corvette Market Insider's Seminar produced by Keith Martin and this is Barrett-Jackson's 41st anniversary celebration.

As with last year, there will be two segments. The first will be: "Show and Tell" – we will project a slide of a Corvette, or part of a Corvette (engine bay, interior, undercarriage) and ask the experts to tell the audience what they see, and how they would evaluate what is on the screen. The second will be: "The Expert's Choices". We will ask the

experts to pick their choice in each of five categories, (1) Best Corvette for long-distance touring, (2) Most beautiful Corvette, (3) Best "sleeper" Corvette for investment, (4) Best Corvette for drag racing, (5) Best Corvette, value for the money. Corvette Market panelists include: Terry Michaelis of ProTeam Corvette, David Burroughs of Bloomington Gold, Jim Jordan of County Corvette, Kevin Mackay of Corvette Repair, Michael Pierce NCRS senior judge, Roy Sinor NCRS national judging chairman, and Mike Yager of Mid America Motorworks.

Admission to the seminar is free to CM and SCM subscribers, registered Barrett-Jackson bidders and consignors, owners of Bloomington Gold certified Corvettes, and NCRS members. A separate admission to the Barrett-Jackson auction is required. To register, [click here](#).
