**Fake Documentation...** has posed a problem for potential Corvette owners for quite some time, especially Corvettes sold at high profile auctions. Check out this recent email that we received in January 2010. The email's addresses and names have been removed so as not to promote this guy's unscrupulous activity.

Q: Where does fake documentation play a part in the collector car hobby? A: Fraud!!!

Aren't these type items trademarked, copyrighted, and/or registered property of General Motors? Does GM care?

**Liars, Fakers, and Half-Truth Tellers...** consists of a list of Corvettes by VIN number that are not what they

appear to be. This list grew by nineteen new entries during my January 2010 travels to almost ten auctions. Thirteen were either Red or Black Corvettes that probably started out life in less desirable colors as they had repro trim tags. Our Fakers list now has over 350 entries and is not shared with the public. I hope your recent Corvette purchase is not on the list! Authenticate before you bid or buy!! Direct comments to [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)

**A Cute Emailed Testimonial...** was received recently directed to Terry about a 1963 Chevy Pickup that he sold in 1972. [Click Here](#) to read the subject.

**eBay/Internet Opportunity...** eBay/internet savvy motivated individual wanted to sell 5 to 20 million dollar Corvette parts and car inventory on sliding scale commission basis of 10 to 50 percent of price and/or profit achieved. This is an onsite (Napoleon, Ohio) position. Send cover letter and resume to Box 606, Napoleon, Ohio 43545 or email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com). **THIS IS AN OPPORTUNITY!!**

**Money Back Guarantee...** Can't travel? Can't inspect your Corvette prior to purchase? Try ProTeam's 48 Hour/24 Mile [Money Back Guarantee!](#) ProTeam will ship your newly purchased Corvette to your doorstep for your 48 hour inspection or cooling-off period and all you could lose is the shipping costs, should you wish to cancel the purchase for any reason. "We feel quite lucky!" Thank-you

**Article and News Archives...** gives you the opportunity to review and read what we have written monthly since January 2006. [Click here](#) to find a subject that will be sure to be of your interest and subsequent comment.

**The Corvette Black Book...** is a must have essential for any Corvette enthusiast or potential purchaser. The Corvette Black Book contains 160 pages including a minimum of two pages for each car produced, glossary of terms, historic dates, instructions, trend graphs, Corvette chronology, and photos/specifications. The Corvette Black Book also has an extrapolation section to help you zero-in on Corvettes with genuinely rare option combinations. **This is the genuine pocket sized Corvette Black Book.** The price is \$17.95 plus \$3.00 postage (US only). **NCRS Specifications Guides...** Both 1953-'67 and 1968-'82 are a convenient 4"x6" size that fits right into your pocket- perfect to carry along at swap meets, junkyard searches, and judging events. They are quick reference technical encyclopedias of "basic" Corvette information, including major mechanical and electrical component part numbers, casting numbers, engine, transmission and axle identification codes, original prices, options and production quantities, power teams, color combinations, body codes and much more! Both are "pocket-sized", with 168 pages. The 1953-67 Pocket Spec. Guide and the 1968-82 Pocket Spec. Guide are \$15.00 each including postage. Ohio residents add 7% sales tax.
