What Is My Corvette Worth? I get asked this question almost everyday. The value of a Corvette is directly related to venue, location, day, and time of day if offered at auction. High profile collector car auctions offer maximum exposure and hundreds or thousands of affluent "ready to spend" registered bidders that like the auction excitement and instant gratification of making a purchase and thus outbidding others. **In essence they are the winner!**

Auctions create urgency and unless bidders are prepared to bid that car is sold within 2 to 3 minutes.

No two auctions or auction venues (locations) will produce the same results. **"It is a crap shoot!"**

I have participated as both buyer and seller at most of the classic car auctions in the USA for over 40 years and know the process well.

Contact terry@proteamcorvette.com should you have a rare Corvette or Corvette collection and need advice as it relates to estate planning, estate resolution/liquidation as it relates to auctions and/or our outright purchase.

Industry Awards... are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved close to 200 show awards and invitationals since 2009. Click to enlarge any photo to view the results of ProTeam's team effort. I doubt there is another person or company that has even come close to our record and in 2013; we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and Click Here to view the text file of our impressive show results. Comments or questions? Email: terry@proteamcorvette.com
