Corvette Stingray to be showcased at March Amelia Island Concours d'Elegance... Chevrolet has chosen the 2013 Amelia Island Concours d'Elegance to showcase the 7th generation of its iconic Corvette. This year "the Amelia" celebrates the 50th anniversary of the fabled Corvette Sting Ray and exhibits publically the latest Corvette to wear the Stingray name.

This is the 18th Concours at the Amelia Island Golf Club of Amelia Island at Summer Beach with accompanying events at the Ritz-Carlton Amelia Island.

Corvette's 21st century Corvette Stingray debuted at the North American International Auto Show and is faithful to the design heritage while pioneering a high fastback mid engine look while retaining a front engine. It's the most powerful standard Corvette model in history. With 450 hp and 450 pound feet of torque from its new LT1 6.2 liter Active Fuel Management small block V8 engine, the 2014 Stingray is the fastest and most fuel efficient Corvette in history.

"The Holy Grail" for developing a performance car is delivering greater performance and more power with greater fuel economy and that's what we've achieved", said Tadge Juechter, Corvette chief designer.

The 2014 Corvette will join original Sting Rays on exhibit Friday, March 8th at "The Design Analysis of the Revolutionary Corvette Sting Ray Seminar, Presented by Chevrolet", at 1:30pm in the Ritz-Carlton Amelia Island's Talbot Ballroom. Tickets are \$25. Seating is limited. A Corvette Stingray poster signing with GM's Chief of Design Ed Wellburn and Corvette Sting Ray designer Peter Brock will follow. On Saturday, March 9th and Sunday, March 10th the new 2014 Stingray will be on display on the 18th fairway. Admission Saturday is free. Sunday Concours' admission is \$55 in advance, \$70 day of show. Info: AmerliaConcours.org. *Above text from Victory Lane Magazine, February 2013 issue*

Now in its 2nd decade, the Amelia Island Concours d'Elegance is among the top automotive events in the world. Always held the 2nd full weekend in March, "The Amelia" draws nearly 250 rare vehicles from collections around the world to The Golf Club of Amelia Island at Summer Beach and The Ritz-Carlton, Amelia Island for a celebration of the automobile like no other. Since 1996, the show's foundation has donated over \$2 million to Community Hospice of Northeast Florida, Inc. and other deserving charities on Florida's 1st Coast. The 18th annual Amelia Island Concourse d'Elegance is scheduled for March 8-10, 2013. For more information, visit AmeliaConcours.org or call 904-636-0027

Sports Car Market and American Car Collector... are two fine publications that we recommend for an insider's guide to collecting, investing, values, and trends as it relates to the classic and collector car world. No publication does such a thorough job on auction coverage and market reporting.

Both publications are the brainchildren of world famous Keith Martin of Portland, Oregon who stars in "What's My Car Worth" on Discovery channel's Velocity! Network.

Earlier this month we reported the over \$300 million dollars that was raked in by seven collector car auction companies in January 2013 but failed to recognize Mr. Martin, his crew, and fine publications as they graciously supplied the auction results that we reported.

For more information on either publication, go to sportscarmarket.com or AmericanCarCollector.com. As a special discount for friends of ProTeam, take 25% off on any SCM or ACC subscription or anything else in the web stores. Just type in TERRY as the promo code. Offer expires 48 hrs after email is sent.

“Do yourself a huge favor and subscribe and you will be canceling all those other car related publications” – Terry Michaelis
