Value Trumps Price... *Collector Car Math: Value + Price + Exhilaration = Complete Satisfaction.* I have asked/answered this equation thousands of times over my lifetime and since the Great Recession of 2008 took hold, the importance of getting this equation right has taken on a new importance. It isn't just me but anyone who dabbles in the passionate world of collector cars has asked these questions. Mike Farbairn (RM Magazine, Summer '13) wrote an article giving some sound advice in purchasing a classic car. First, he asks, "How much is too much?" Ownership tenure involving a quick turn around like flipping the car and short-term ownership (90 to 100 days) necessitate a perceived monetary profit translating to a bargain hunter's mentality. Long-term classic car proprietorship is a bit more ambiguous. It involves a bigger commitment to the car's integrity, provenance, and market value. "In my experience, the very best is seldom cheap" but rest-assured the work in acquiring the "long-term hold" will pay dividends down the road. How can Mike be so sure? He is certain because of two universal collector car truths; (1) the market has always surpassed retail price and (2) when you own the best, there is always a profitable resale market. So in the end, **Value Trumps Price.** Price is secondary to exhilaration. Passion is incalculable, so follow your heart. Questions or comments? Email: terry@proteamcorvette.com

Industry Awards... are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved 134 show awards and invitationals since 2009. [Click to enlarge](#) any photo to view the results of ProTeam's team effort from April 2nd, 2009 to the present with close to 200 industry awards. I doubt there is another person or company that has even come close to our record and in 2013, we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and [Click Here](#) to view the text file of our impressive show results. Comments or questions? Email: terry@proteamcorvette.com
