### Why is ProTeam/Terry Michaelis Selling at Auction?

- Over the last 40 plus years, Terry Michaelis has used the auctions to purchase inventory to stock his large showrooms in Ohio, spending sometimes as much as 2.5 to 3 million dollars at a single auction.
- Since the great recession of 2008 Terry has watched the high profile televised auctions, like Mecum, grow into power houses with thousands of “ready to spend” registered bidders that like the auction excitement and instant gratification of making a purchase and thus out bidding others, in essence they are a winner!
- At the same time Terry has reduced the ProTeam inventory from 230 Corvettes to 70 – 80 highly collectible Corvettes that were produced in very limited quantities, ie: single, double, and triple digit produced Corvettes like Z06’s, L88’s, LS6’s, ZR1’s, ZR2’s, fuelies, tankers, big brake cars, and so on... of which are generally not available at even the high profile venues, which generally sell driver quality “Joe Public” type Corvettes that are not highly collectible but do serve a purpose for the entry level Corvette buyer.
- Recognizing this, Terry understands that the highly collectible Corvettes are much more expensive and will only attract bids from the more seasoned, experienced, and affluent collectors who have a passion for purchasing truly rare and desirable Corvettes. **52-Page NASCAR Corvette Documentary...** that is full of interesting old photos, Chevrolet Engineering build orders, and the history of how Ed Cole and Chevrolet Engineering saved the Corvette from the chopping block. A 4-1/2 year research project and the untold story of the early Corvette’s participation in NASCAR sanctioned events.

Send large self-addressed stamped envelope (\$2.50) U.S. for 52-page documentary to ProTeam, PO Box 606, Napoleon, Ohio 43545 or go to [NASCARCorvette.com](http://NASCARCorvette.com)

**The Noland Adams GM Research Files...** are now located at ProTeam Corvette Sales in Napoleon, Ohio and are available for inspection and for sale to the highest offer. Boxes on top of boxes, files on top of files... of transparencies, slides, photos, drawings, and letters of which date back to the late 1970’s/early 1980’s when Noland spent months at the Chevrolet GM Tech Center.

ProTeam is assisting Noland to help organize his files by decades and prepare his research materials for sale. ProTeam has purchased a light table and overhead projector for viewing of slides and transparencies.

**Industry Awards...** are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved close to 200 show awards and invitationals since 2009. [Click to enlarge](#) any photo to view the results of ProTeam's team effort. I doubt there is another person or company that has even come close to our record and in 2013; we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and [Click Here](#) to view the text file of our impressive show results. Comments or questions? Email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com)
