**ProTeam's NASCAR 1953 Corvette...** participated in the 36<sup>th</sup> Annual Ault Park Concours d'Elegance in Cincinnati in June 2014 where it placed First in Class and won the Ault Park Bill Rudd Honorary Trophy. Its next outings will be at the Bloomington Gold show later this month and the 36<sup>th</sup> Annual Concours d'Elegance of America in Plymouth Michigan in July 2014. ProTeam's 1953 Corvette Convertible, VIN #211, Engineering #3950 Race #27 is one of two, a 1953 and a 1955, that were reclaimed from the depths of Chevrolet Engineering to be equipped with dual four high output 1956 engines, 3 speed close ratio transmissions, heavy duty stock car racing rear end assemblies (3.27 gear ratio), plastic tonneau covers, small racing windshields and relocated gages per Mauri Rose. Work was done by Chevrolet Experimental Shop and Garage, subject title: "Rebuilding of NASCAR Corvettes for Stock Car Racing." Delivered to NASCAR/Daytona Beach in time for the 1956 NASCAR Sanctioned Performance Trials and The Flying Mile competition and promotional photos with Bill France in the dark (black) helmet driving our car, number 211. This Chevrolet Engineering effort involved Briggs Cunningham, John Fitch, Z.A. Duntov, Ed Cole, and over 125 engineers and several 1953 to 1955 Corvettes that culminated with a win at Sebring in 1956 with John Fitch driving a 1955 Chevrolet Engineering Corvette VIN #1194. VIN #211 is documented with the Chevrolet engineering department build orders! ProTeam is quite honored to own Corvettes that have been recognized and invited to such prestigious concours events. **Interesting Links:**

**WANTED Any Scoda/NASCAR Photos, Programs, Race Grids/Results...** of the early 1953-55 Corvettes that raced against the T-Birds at Raleigh, NC around August 1955, Martinsville, VA on June 3rd, 1956, Bowman Gray Stadium in Winston-Salem, NC (1956-57) and Daytona Beach, FL in February 1956.

The race numbers probably were #62, #92, #16, #27 and #3.

The Drivers were Bill France, Alvin or Jack Hawkins in Daytona and Pee Wee Jones, Bobby Myers and Billy Myers in the Carolinas and probably Martinsville, VA. The cars were probably maintained by Hubert Westmoreland.

I would like to communicate with the official or unofficial historian of each of these racetracks and persons knowledgeable on the NASCAR Scoda sanctioned events.

Any information will probably be used to write a book on this fascinating chapter of NASCAR History.
