**Terry Michaelis...** was inducted in the Bloomington Gold "Great Hall" on June 27<sup>th</sup>, 2014. Described as a survivor but not to be confused with the trademark Survivor®. Terry can lay claim to this term because no word describes him better. After four decades, his name is likely as well known within the Corvette community as Zora Duntov.

Michaelis not only pioneered numerous facets of the Corvette Phenomenon, he's still at it, today. Before the dawn of collecting, he bought and sold his first Corvette in 1971 and has sold over 10,000 since. He also pioneered high impact marketing of parts and supplies that fed the growth of Corvette restorations. Next, he started Corvette Fever magazine. After testing the waters in these venues, his largest claim to fame came with ProTeam Corvette Sales, operated with his brother Fred.

Beyond marketing wizardry, Michaelis has developed into one of the foremost proponents of preservation, forensics research, and sorting historic facts from promotional fiction related to high-profile Corvettes. He may now be at the most important phase of his career – helping new collectors learn what to look for, how to recognize it, and what to do about it.

Michaelis may be the single most versatile contributor to the Corvette Phenomenon. Publisher. Vendor. Dealer. Publisher. Researcher. Collector. Teacher.

**ProTeam's NASCAR Corvette...** was recently (June 26<sup>th</sup>-29<sup>th</sup>, 2014) displayed at the Bloomington Gold Great Hall entrance in Champaign IL where it was viewed by a large audience of attendees. This car, a 1953 Corvette with VIN #211, and a 1955 Corvette VIN #1399 were rebuilt by Chevrolet Engineering Experimental Shop and Garage for NASCAR Sportscar activities and shipped to Daytona Beach in time for the 1956 Daytona Speed Trials. Unique to Corvette history and unknown by 98% of Corvette enthusiasts #211 is probably the earliest known Corvette race car and a pioneer of speed! Its next outing will be July 26<sup>th</sup> at the 36<sup>th</sup> Annual [Concours d'Elegance of America](#) in Plymouth, MI and [Corvette at Carlisle](#), August 21<sup>st</sup>-24<sup>th</sup>, 2014. **WANTED Any Scoda/NASCAR Photos, Programs, Race Grids/Results...** of the early 1953-55 Corvettes that raced against the T-Birds at Raleigh, NC around August 1955, Martinsville, VA on June 3rd, 1956, Bowman Gray Stadium in Winston-Salem, NC (1956-57) and Daytona Beach, FL in February 1956. The race numbers probably were #62, #92, #16, #27 and #3.

The Drivers were Bill France, Alvin or Jack Hawkins in Daytona and Pee Wee Jones, Bobby Myers and Billy Myers in the Carolinas and probably Martinsville, VA. The cars were probably maintained by Hubert Westmoreland.

I would like to communicate with the official or unofficial historian of each of these racetracks and persons knowledgeable on the NASCAR Scoda sanctioned events.

Any information will probably be used to write a book on this fascinating chapter of NASCAR History. Rewards! Email: [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com) or write to: P.O. Box 606, Napoleon, Ohio 43545
