The word is out... as ProTeam's heavyweight title of "World's Largest Classic Corvette Dealer" is now gone along with well-over 100 Corvettes from our vast inventory but that isn't the big news. The real story is what is next for the world famous collection. Here's the scoop.

ProTeam will continue to concentrate on select historically significant Corvettes like L88's, Chevrolet Engineering cars, and Big Brake Fuelies like the Z06. A rising star in the world famous ProTeam collection is the right-hand drive 1963 Z06 Split Window Coupe that spent its first 50 years in Perth, Australia. This 23,000 original mile crowd pleaser breezed through the 2012 Bloomington Gold Survivor judging in all 4 categories. This is just one example from ProTeam's now much smaller but unique collection currently on display.

Looking for that special Corvette? ProTeam has the connections, the means, and the experience to start a collection or fulfill a dream. Reach Terry directly at terry@proteamcorvette.com. We ask for serious inquiries only.

ProTeam Classic Corvette... *a unique Corvette collection made exclusively exclusive and extraordinary by design and choice!*
