**The winner of the St. Bernard Classic Corvette Giveaway...** drove 1,360 miles from New York to Indiana and back again to claim his 1966 Corvette Convertible. Edward Ess of Batavia, NY arrived in Rockport Wednesday morning. "I'm still in shock. This is a beautiful Corvette, a very nice restoration. I'm going to enjoy this for many years." Ess's name was drawn at the conclusion of the St. Bernard Summer Social on July 8. Ess is a true Corvette enthusiast, owning over 40 Corvettes in his lifetime. After a tour of the church and photos, Ess drove through the streets of Rockport before the trip back to New York.

After 46 years, this classic Corvette returns home. This particular Corvette was manufactured in May of 1966 and delivered new to RM Burritt in Oswego, NY; only 100 miles from the home of the raffle winner.

All 10,000 tickets were sold for this year's raffle. People from as far away as Australia and as close as their own front door purchased tickets. More about the winner and celebration can be found on the parish website at [www.stbernardcorvette.org](http://www.stbernardcorvette.org). St. Bernard Church purchased the 1966 Corvette from ProTeam Corvette Sales. Tickets go on sale for the 25th annual Corvette raffle in January, 2013. Proceeds benefit Saint Bernard Parish and Saint Bernard Elementary School, the only parochial school in Spencer County.

**Contemplating a Classic Car Raffle?...** look at partnering with ProTeam Corvette to supply your organization with a Corvette for your next charitable fundraiser. ProTeam has been at least partially responsible in raising close to 25 million dollars for some 30 different groups including the Ronald McDonald House, Corvette Club of America, Huntington FD, American Cancer Society, St. Bernard Church, Woodstock Lions Club, and a multitude of others.

We've heard from one happy client just recently: "I can tell you that we have developed a level of trust and confidence with you guys and the feelings are mutual. By the way, you might like to know that since we started this 24 years ago, St. Bernard has netted probably 1.75 Million dollars and we really didn't catch fire until we started working with you guys." - G.S., St. Bernards Church, Rockport, IN

Here are 8 more reasons to consider ProTeam as a fundraiser partner: (1) Large Corvette collection/inventory. (2) Marketing machine with an social networking presence which includes Facebook, Google+, & Twitter.(3) Electronic mailing list (almost 50,000). (4) Very popular website ([www.ProTeam-Corvette.com](http://www.ProTeam-Corvette.com)) with approximately 125,000 monthly user sessions. (5) A very active and proactive internal media department that generates national attention with numerous articles online and in-print along with television network programming, ie: SPEEDtv "The Last Sting Ray." (6) Attendance at numerous car shows from California to Florida but primarily the midwest. (7) Repurchase agreement at an agreed price, should your organization offer a cash option to the raffle car winner. (8) Been there... done it! We can help your organization develop a 3 to 5 year marketing plan that will allow your members to minimize their involvement while continuing growth in your sales and success.

Corvettes are the most popular and successful marque used in automotive raffles. They are an American icon!!! If you are interested in discussing a partnership with ProTeam that DOES NOT END with your raffle car selection, email [terry@proteamcorvette.com](mailto:terry@proteamcorvette.com).

**Information is wanted...** on our **1953** Corvette, #211 is the car that was reclaimed from the depths of Chevy Engineering to be equipped with a dual-four 265 ci V8, close ratio 3 speed, and 55-56 differential and then donated to NASCAR for their SCORAD (Sports Car Owners and Drivers) dirt track races (#27) and was on the beach track during the Daytona Speed Week in 1956. Documented with the Chevrolet engineering build orders with VIN numbers, and many period photos from people that were there and the NASCAR archives. Driven by Bill France, Jr. and Jack Hawkins. An historically important car that we plan to restore as built by Chevrolet Engineering for NASCAR sportscar activities. Also, information is wanted on these Classic Corvettes: 1962 Fuelie RPO-687 race car, VIN #101361; 1962 GM Styling Car, VIN #102732; 1963 Export RH Drive Z06 Fuelie GM Show Car, VIN #114931; The First T-Top (1968) | GM engineering development car, VIN #15. **Join NCRS...** as it will be the smartest \$35.00 bucks you'll ever spend on your Corvette. The National Corvette Restorers Society is a non-profit hobby group that has been gathering and publishing restoration, historical, maintenance, and technical information for 35 years. ProTeam Corvette owner Terry Michaelis (NCRS Member #136!) knew the importance of preserving and joined at the very beginning. **More than 50,000(!) families have joined the NCRS after Terry did back in 1974. What are YOU waiting for?** NCRS members receive 4 issues of the award-winning 52 page Corvette Restorer magazine-full color and NO ads, ever. Members also receive 6 issues of the NCRS Driveline newsletter-144 pages of free member ads, hobby news, and Corvette stuff for sale. Members also have complete access to the NCRS website at [www.NCRS.org](http://www.NCRS.org), as well as our 18 Technical Advisors. Visit [NCRS.org](http://NCRS.org) to join now!!!
