1954 V-8 Corvette Wanted... 1954 Corvette wanted with V8 and 3 or 4 speed transmission. Drivable condition preferred. Email: terry@proteamcorvette.com

(Note: wrap text)

Information and Photos... are wanted of a 1962 Corvette driven by Ben Moore from Hauser Chevrolet from the Bethlehem, PA area. The car was maroon with a fawn beige interior and raced normally with Race #18. This car had a small driver's side racing windshield, Yenko type roll bar, tonneau cover, rally lights, and combo racing stripes down the middle of the car. Some of the names associated with this car and/or Ben Moore could be Roger Penske, Ed Schwartz, Don Yenko, Jack Phillips, and Danny Buranich.

Probably raced in or at Marlboro (April 1962), V.I.R. (April 1962), Cumberland (May 1962), Vineland (May 1962), Bridgehampton (June 1962), and Watkins Glen (June 1962). Ben Moore won the SCCA A-Production N.E. Division Championship in 1962. I need close-up photos of this car in race trim. Email: terry@proteamcorvette.com

Corvette—America's Star Spangled Sports Car: The Complete History 1953-1982... at 784 pages and featuring nearly 1,000 photos and illustrations, not to mention a heft of 8 pounds is without a doubt the most comprehensive history out there for the C1, C2 and C3 platforms.

It will be worth your time to read this vastly expanded new edition of *America's Star Spangled Sports Car* from cover to cover; I highly recommend it. Ludvigsen is surprisingly adept at weaving together the technical development history of the Corvette's first three generations with the human drama and intense rivalries that fuelled the American car industry's golden age. But the book works just as well if you prefer to dip in and out to read about your favorite Corvette models. Or if there's a particular Corvette personality who intrigues you, Ludvigsen is sure to have it covered. His experience as a GM staffer back in those early years of the Corvette, followed by decades consulting in and writing about the automotive industry, give Ludvigsen a unique insider's perspective on the people and events that made the Corvette an iconic American sports car.

The book showcases an impressive number of photos from the GM archives, as well as great Corvette racing photos, original Corvette magazine ads, blueprint drawings of seminal models, and a series of detailed illustrations of each Corvette model that you'll wish you could frame and hang on the wall.

The bottom line is, if you love all things Corvette then you have to have this book. Available at ProTeam for \$148.00 plus postage [click here](#) to order from ProTeam or you can go directly to the publisher's Corvette/Chevy section.

The Corvette Black Book... is a must have essential for any Corvette enthusiast or potential purchaser and makes for a great stocking stuffer. The Corvette Black Book contains 160 pages including a minimum of two pages for each car produced, glossary of terms, historic dates, instructions, trend graphs, Corvette chronology, and photos/specifications. The Corvette Black Book also has an extrapolation section to help you zero-in on Corvettes with genuinely rare option combinations. This is the genuine pocket sized Corvette Black Book. The price is \$19.95 plus \$3.00 postage (US only). Order a [Corvette Black Book](#) today!

NCRS Specifications Guides... make for a great stocking stuffer. Both 1953-'67 and 1968-'82 are a convenient 4"x6" size that fits right into your pocket- perfect to carry along at swap meets, junkyard searches, and judging events. They are quick reference technical encyclopedias of "basic" Corvette information, including major mechanical and electrical component part numbers, casting numbers, engine, transmission and axle identification codes, original prices, options and production quantities, power teams, color combinations, body codes and much more! Both are "pocket-sized", with 168 pages. The 1953-67

Pocket Spec. Guide and the 1968-82 Pocket Spec. Guide are \$16.00 each including postage. Ohio residents add 7% sales tax. [Click here](#) to order.

NCCC!!... Interested in joining a growing organization of Corvette enthusiasts who enjoy driving their Corvettes? Check out the web site for the National Council of Corvette Clubs (NCCC), www.corvettesnccc.org, to find a club in your area. NCCC has been around since 1959 and its members enjoy the thrill of their Corvettes for participation in car shows, rallies, cruises, and competitive events-including HPDE. With a membership of 17,000 plus in 263 clubs, NCCC has an activity to capture the interest of any Corvette lover. Our Future Corvette Owners Association (FCOA) is a unique program that caters to the children and grandchildren of our members as we keep the love of the Corvette alive. Our support of the National Kidney Foundation provides us the opportunity to "pay it forward" as we set ourselves apart from other organizations with our support of charitable causes. Our insurance program for clubs, that covers all club activities, is unequaled. Learn more about NCCC by viewing our web site and discover why our slogan is so true... **"We joined for the car, we stay for the people."**
