The 1955 Harvest Gold Duntov Corvette... This is not a NCRS Duntov award car. This is the car that was actually owned by Zora and Elfi Duntov from approximately 1955 through 1962 and was used as a test bed (mule) with various engine combinations (including the famed 1957 fuel injection 283 hp engine) and many other tweaks including special silver paint with blue stripes painted by the Styling Group at GM.
