Weekly Specials Continue**

Mecum Bloomington Gold Auction... will feature 42 of ProTeam's best 1953 through 1970 Corvettes on Friday, June 27th (6:00pm) and Saturday, June 28th (2:00pm). Most of these cars are Bloomington Gold certified, Survivor® certified, Benchmark® certified or NCRS certified and they are among the best in the world. This will be an opportunity for an astute buyer. Check out our 1967 Corvette, stk. #229X (Mecum lot #X-9), with 17,000 miles. It is Bloomington Gold, Survivor®, Benchmark® certified and it has been in the Bloomington Gold Special collection twice and was inducted in the Bloomington Gold Hall of Fame, which is an honor only bestowed on five (5) Corvettes per year. Email terry@proteamcorvette.com for the Mecum auction brochure or for a pre-auction inspection.

Documentation and your old Corvette... What is Documentation: Documentation is generally referred to as factory and dealer delivery paperwork, ie: window sticker, tank sticker, shipper copy, warranty book/protecto-plate, dealer invoice, dealer bill of sale, owners manual packet.

FACT ONE: Most older (1953 to 1981) Corvettes do not have any form of documentation. *A Corvette with documentation is the anomaly!*

FACT TWO: Bloomington Gold and NCRS judges do not judge documentation and documentation is not required to have your Corvette judged, other than a title and proof of insurance. These judges are generally quite experienced and judge by a standard and that standard I refer to as "The Duck Test" being; If it looks like a duck, walks like a duck, and quacks like a duck... it most likely is a duck!!! Sometimes the evidence of the "The Duck Test" is so overwhelming, especially when performed by the truly experienced, it replaces the real need for documentation (paperwork).

FACT THREE: Sadly, the unreasonable and silly thinking that a Corvette without documentation has little value has created a covert cottage industry of entities and/or persons that make/print/create fake aged documentation.

CAVEAT EMPTOR: If documentation is a requirement leading to your purchase of an older Corvette, please hire an expert to affirm that the documentation is, in fact, real and not something that was generated to feed that silly notion that a Corvette must have documentation.
