Bidder Badge No. 1 Sells for \$250,000.00 to Benefit Curing Kids Cancer... Terry Michaelis auctioned off his Mecum Bidder No. 1 badge at the Mecum Kissimmee Classic Car Auction in January 2022. The proceeds

benefit Mecum's longtime charitable partner *Curing Kids Cancer*. Michaelis was motivated to offer-up his coveted badge No. 1 after Badge No. 2 raised \$200,000.00 for this worthy cause in 2021.

The impressive nature of CKC's mission coupled with his adoration for their real world success has served as primary motivation to offer Badge No.1 for auction. Terry noted, "This is a unique opportunity to increase awareness of this organization and maybe make a small contribution to a worthy and valiant effort." Terry added that he was honored and equally humbled by this experience and thanks all the bidders of his badge.

"... There would be auctions with maybe 200 Corvettes, and of those, he (Terry) would maybe buy 25 or 30. He's definitely had a positive and lasting effect on the market throughout the years" said Dana Mecum, Mecum Auctions CEO, also noted that these low numbers are reserved for select customers and friends and that Terry fits the bill on both accounts.

Bidder Badge No. 1 crossed the block Friday, January 14th, [Lot F153](#)

What Is My Corvette Worth? I get asked this question almost everyday. The value of a Corvette is directly related to venue, location, day, and time of day if offered at auction. High profile collector car auctions offer maximum exposure and hundreds or thousands of affluent “ready to spend” registered bidders that like the auction excitement and instant gratification of making a purchase and thus outbidding others. **In essence they are the winner!**

Auctions create urgency and unless bidders are prepared to bid that car is sold within 2 to 3 minutes.

No two auctions or auction venues (locations) will produce the same results. **“It is a crap shoot!”**

I have participated as both buyer and seller at most of the classic car auctions in the USA for over 40 years and know the process well.

Contact terry@proteamcorvette.com should you have a rare Corvette or Corvette collection and need advice as it relates to estate planning, estate resolution/liquidation as it relates to auctions and/or our outright purchase.

Industry Awards... are normally awarded to a person for exceeding a quality standard but in our case, it is about the person (or people), the product (our cars) and the presentation which requires knowledge. ProTeam's Corvettes achieved close to 200 show awards and invitationals since 2009. Click to enlarge any photo to view the results of ProTeam's team effort. I doubt there is another person or company that has even come close to our record and in 2013; we added a new award only received by a total of 36 participants, "The NCRS American Heritage Award". In June 2014, Terry Michaelis was inducted into the Bloomington Gold Great Hall honoring the 50 most significant and influential people and organizations.

The standard is set by the various judging venues, ie: Bloomington Gold, NCRS, MCACN, and the Concours D'elegances scattered around the USA. It takes knowledge, preparation, and presentation to compete in these show venues. ProTeam's small group of employees possess that knowledge which should add additional value and a comfort level that you **cannot** and **will not** get from any other Corvette seller or reseller. POINT MADE! Think about it and Click Here to view the text file of our impressive show results. Comments or questions? Email: terry@proteamcorvette.com
