

**BUY WITH CONFIDENCE THANKS TO PROTEAM CORVETTES'  
MONEY BACK GUARANTEE**

NAPOLEON, Ohio - Shop-at home customers and international buyers who are unable to travel overseas to inspect Corvettes can buy with confidence thanks to ProTeam Classic Corvette Collection and Sales.

For more than 10 years, ProTeam has offered customers a 48 Hour/24 Mile Money Back Guarantee that allows customers to inspect, drive and approve their recently purchased classic Corvette. If during the first 48 hours of receiving their new car a customer should wish to cancel a purchase for any reason, ProTeam will take back the Corvette and refund the purchase price to the buyer, minus transportation costs.

ProTeam's industry leading, unconditional Money Back Guarantee takes the risk out of purchasing a Corvette sight unseen, and is contractual on ProTeam purchase agreements should the customer not want or be able to travel to check out the Corvette of particular interest.

"We understand that buying a classic Corvette can be a daunting process, especially for first-time buyers. We also understand that not everyone can make the trip to our Napoleon, Ohio or Auburn, Indiana showrooms, but we don't want that to deter enthusiasts from purchasing the Corvette of their dreams," said Terry Michaelis, president, ProTeam Classic Corvette Collection and Sales. "That's why we give them a chance to get a feel for the Corvette, allowing them to drive it up to 24 miles with our Money Back Guarantee, before deciding if it's the best Corvette for them."

In recent years, ProTeam's clientele has expanded to include customers in countries like Europe, Australia, New Zealand, Japan, Russia, Hungary, Croatia, South America and more. This international reach, combined with the fact that more people are shopping for cars over the Internet, makes ProTeam's Money Back Guarantee a no-risk solution for buyers.

"Our sales team is incredibly knowledgeable about Corvettes and strives to match each customer with a vehicle they'll truly enjoy. Our Money Back Guarantee helps facilitate that search for the right vehicle. At the end of the day, we want to make buying a classic Corvette an exciting, rewarding experience," Michaelis added.

One of ProTeam's customers, David Coddling of Santa Rosa, Calif., did take advantage of the company's 48 Hour Inspection Money Back Guarantee. After driving his newly purchased 1967 Lyndale Blue Corvette Coupe 427/435 hp, David realized he was simply too tall to drive

the car comfortably. Thanks to ProTeam's return policies, he returned the Coupe for a full refund of the purchase price and instead bought the perfect Corvette for him (and one where headroom wasn't an issue): a 1967 Red Convertible 427/435.

"David was comfortable with the way we do business and with our sales team, which made purchasing a classic Corvette from ProTeam quite simple,. Michaelis added.
